I do here by further under take that, if any problem arise at the time of 'Final Admission' from any Government Body **i.e. AICTE, MAKAUT, DTE, WBJEEB, WBHED**,I will take refund of my deposited amount within the stipulated time, which will be declared by the Institute. Moreover, I will, in no other circumstances, statutorily or legally liable the Institute or the 'Admission Authority' for rejection of this 'Final Admission' and I will not have any legal right to lodge any complaint against the Institute or the 'Admission Authority'.

And it is true that, if I fail to take 'Final Admission' against the occupied seat of my *Son /Daughter* within the prescribed time as declared by the Institute, I will not liable the Institute if the seat will be treated as cancelled and my any claim will not been tertained.
